

David A. Toce, Seasonal resident and cottage owner at Asbury Grove.

A testimonial after campmeeting in August, 2007.

"This past week at our Grove has stretched me in such a way that I hope I will not return to my previous state.

"Rev. Tina Luce of "Eyes of Faith Ministries" and Rev. Penny Smith, author of "Gateways to Growth and Maturity", opened themselves during our annual Campmeeting Week to be used by God in a way I've never experienced before. They conducted the bible study and musical worship in true spontaneous "spirit led fashion", something I am sure was very taxing on them but so beautiful to watch.

"These women have shown us a gateway to a closer walk with God. May we cherish the blessings they've given us and reciprocate by supporting their ministry and continually lifting them up in prayer.

"I have been at Asbury Grove almost every summer since I was around five years old, so I've been to quite a few campmeetings --- and we've had many awesome ones. Well I'm forty now and I will tell you that, after meeting these two beautiful and humble women, I will never be the same. I love these people and we would do well to have them back at the Grove. I pray that we will.

"You can listen to samples of Tina's beautiful music as well as inspirational poetry and links to purchase her CD's and Penny's book at www.eyesoffaith.com. It's an interesting web site that I have enjoyed returning to many times."

Sincerely,

Dave
